Picture

- **Digital-Quality Picture Capability¹**
Digital compression technology provides sharper, clearer images for a sensational entertainment experience.

Sound

- **Digital Audio Performance Capability¹**
Allows you to enjoy DIRECTV[®] programming with digital audio performance.
- **Dolby Digital⁴ Sound Capability⁷**
Dolby Digital⁴ (when available) provides six independent soundtrack channels through the optical output jack. When connected to an optional, compatible six-channel amplifier/receiver and speakers, this connection provides Dolby Digital⁴ Surround Sound.

Convenience

- **Advanced Program Guide[™]**
Supports up to 14 days of program listings and full program descriptions. It enables you to use TV on-screen search feature to find your favorite programs to watch or record.

- **Pause Live TV**
When the munchies strike, don't miss any of the action! During Pause, the receiver continues to receive and store the program so none of it is lost while you're away.

- **Two DIRECTV Satellite Tuners² (PIP)**
Watch one show while recording another, record two shows at once, or watch two shows at once using Picture-In-Picture.

- **My Shows**
Displays a list of the programs you have scheduled to record as well as previously recorded programs. Also displays TV show reminders one minute before program starts.

- **Web Home**
Your starting point for using the Internet features of the RCA[®] DIRECTV[™] Receiver with UltimateTV[®] service. From here, you can use e-mail, chat rooms, Websites, on-line shopping, news, and other Internet areas.

- **TV Home**
This screen is the home base for all TV-watching activities. From here, you can go to key features of UltimateTV[®] service.

- **Search TV**
If you know what you want to watch—a specific show or type of show—use this feature to search for it by program title or phrase.

- **Digital Video Recording**
Records up to 35 hours⁵ of programming in digital video and Dolby Digital⁴ sound capability (when available) on the built-in hard drive.

- **Live TV Controls**
You can create your own instant replay, jumping back a few seconds and watching the play again and again, as well as freezing the action and watching it in slow motion.

Remote

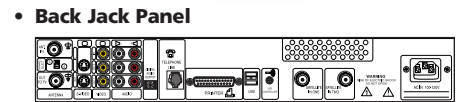

- **47-Button Master Touch[®] Universal Remote Control (CRK76WA)**
– Ergonomic design and color coded buttons provide complete satellite system operation plus primary function control of virtually every brand of remote controllable TV, VCR, DVD and cable box.
– Simple navigation of digital video recording and Internet.
