Design and specifications are subject to change without notice. Non-metric weights and measurements are approximate. Activation of DIRECTV® programming required. Programming sold separately. Programming subject to change. You must be physically located in the U.S. to receive DIRECTV service. DIRECTV services not available outside the U.S. A valid programming subscription is required to operate DIRECTV® system hardware. Activate your DIRECTV programming today at 1-800-DIRECTV (1-800-347-3285.) DIRECTV Multi-Satellite Receiver: With this receiver and the proper satellite dish antenna, you may be able to subscribe to local channels from DIRECTV in certain areas. Additional equipment may be required in some markets. Check with your retailer or visit DIRECTV.com for information on availability of local channels from DIRECTV in your area.

Residents of Alaska and Hawaii: The Samsung SIR-S70 DIRECTV Multi-Satellite Receiver will require a larger dish antenna (not included) to receive DIRECTV programming. Signal reliability and performance will be susceptible to degradation, especially during adverse weather conditions. Check your local dealer or installer for information on larger antennas, which may result in better performance and compatibility with the Samsung SIR-S70 DIRECTV Multi-Satellite Receiver.
